Norwottuck Rail Trail Rehabilitation Project Update

February 3, 2009

The design phase for the Norwottuck Rail Trail Rehabilitation Project is moving along toward a 25% Design Submission for review by MassHighway. In preparation, the Norwottuck Rail Trail Advisory Committee has dedicated their February monthly meeting to a pre-25% Design Submission workshop. At this meeting, DCR's design consultant, *Stantec Consulting Services, Inc.*, will present preliminary plan drawings for discussion.

The meeting will be held:

Wednesday, February 25, 2009 - 6:00 p.m. to 9:00 p.m.
Bangs Community Center – Glass Room
70 Boltwood Walk, Amherst, MA 01002

The Bangs Community Center is located in downtown Amherst. Metered parking is available on the street; no meter fees after 6:00 pm. Metered parking is also available in the adjacent parking garage; no meter fees after 8:00 pm. At the Bangs Center, please use the front door and you'll find the Glass Room downstairs.

Directions from points West via Route 9/Russell Street:

Take Route 9/116 east towards Amherst.

Turn left onto South Pleasant Street (Rt. 116).

Make the second right turn onto Main Street.

Make the first left turn into Boltwood Walk; between Main St. and Kellogg Ave.

If you'd like a refresher on the project, please visit DCR's Norwottuck Rail Trail Rehabilitation project webpage at <http://www.mass.gov/dcr/projects/norwottuck/>. There, you'll find links to the PowerPoint presentation and handouts provided during the Public Information Meeting on October 29, 2008.

We hope you can make it to the meeting!
